AN E&E NEWS PUBLICATION

GREENWIRE — Tue., April 24, 2018

 [READ FULL EDITION](#)

1.CHEMICALS:

Rollout of Lautenberg law divides senators who championed it

A conservative and a liberal stood side by side in June 2016 as President Obama signed into law the senators' hard-fought compromise legislation to overhaul the nation's bedrock chemical safety law for the first time in its 40-year history. But the common ground that made reform of the Toxic Substances Control Act possible eroded quickly.
